East Evergreen Highway plan getting another airing Thursday

Plans thus far developed by Vancouver's Public Works and Transportation Departments for a major project aimed at supporting land use plans, providing urban services and retaining the natural beauty and character of the East Evergreen Highway corridor between SE 164th and 192nd Avenues will be presented to local residents, business owners and property owners at an open house at 7 p.m. Thursday, June 7, in the Fisher's Landing Elementary School, 3600 SE Hiddenbrook Drive.
